

Managed by a non-profit association, the **Center de Réadaptation de Mulhouse** supports people with disabilities in their physical and professional rehabilitation.

In the context of the implementation of its medical project, its **Functional Rehabilitation service** is recruiting:

**General doctor (or specialized in rehabilitation or neurology) M / F**  
**Full or part time, Permanent contract. Opportunity for professional evolution**

## Your missions:

- To manage clinical activity within a hospital, working with a referring health care professional and a multidisciplinary team.
- To perform post-hospitalization consultations and follow-up activities.
- To be part of a dynamic medical project, the development of new technologies and new programs recommended by the Regional Health Authority.

MISSION

## Why join us?

We offer:

- A flexible organization providing autonomy to manage your work with the support of a referring health care professional and multidisciplinary teams
- The opportunity to engage in networks and partnerships in a spirit of research for comparative analysis, adaptation and implementation of best practices to improve our services.
- A salaried employee status enabling the reconciliation of professional and private life.
- The possibility of training in rehabilitation specialties, of participating in national and international congresses, of publishing in specialized journals.
- Access to our social benefits: health insurance, company restaurant, temporary accommodation, on-site sports facilities (gymnasium, swimming pool, fitness center).

## Your integration:

Not far from an international airport (Basel/Mulhouse/Freiburg). Main railway station 4 kilometers away. Direct access with tram. Possibility of temporary accommodation on site and help to find permanent accommodation. We also provide the opportunity to take French courses.

## To join our medical team:

Please send your CV and motivation letter to Mrs. Kheira ALOUACHE, HR assistant:

By mail to the following address: Centre de Réadaptation de Mulhouse - 57 rue Albert CAMUS - 68093 MULHOUSE Cedex France

or by email : [kalouache@arfp.asso.fr](mailto:kalouache@arfp.asso.fr)
